Dear Committee Members

I am writing to inform you that, pursuant to Section 59(A) of the Aboriginal Councils and Associations Act 1976, I have exempted Mona Mona Aboriginal Corporation from the requirements to prepare and file audited financial statements for the years ended 30 June 1988 to 1990.

This exemption applies only to the financial years ended 30 June 1988 to 1990.

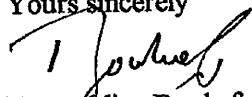

I have granted the exemption on the basis that it would be impracticable for your association to prepare and file the required financial statements. Please note that a detailed investigation of your affairs has not been undertaken. Accordingly I give notice that the exemption may be revoked if information contrary to the above is subsequently received.

In the past some Corporations have misinterpreted the granting of an exemption from the requirements to lodge audited financial statements. To ensure there is no misunderstanding I would like to emphasise that, even where financial activity is minimal, Corporations are still required to keep proper accounts and records of any transactions.

Should your association consider it either impracticable or unduly onerous to provide audited financial statements in a future year, you may again seek to be exempted from this requirement. However, future requests will need to be accompanied by records substantiating whatever transactions have occurred. The particular records will vary depending on the nature and scope of your activities.

If you have any queries or would like clarification of these requirements, please contact the Audit & Compliance Section in my Office (tel. 06 289 8964) to discuss the circumstances of your particular association.

Yours sincerely

Noureddine Bouhafs
