Dear Directors and members

Katungul Aboriginal Corporation Community and Medical Services 15th anniversary

I am writing to congratulate past and present members and directors of the Katungul Aboriginal Corporation Community and Medical Services on the achievement of 15 years of operation on the South Coast of New South Wales.

I am aware that that the founding members have a much longer history in the provision of services to Indigenous communities in the region, as the Corporation was formed in 1993 as an amalgamation of three existing services; Markarling House, Ghuryungan and the Narooma Community Centre.

As you would be aware, all corporations have until 30 June 2009 to transition their current constitution to meet the requirements of the new *Corporations (Aboriginal and Torres Strait Islander) Act 2006*. This will give you an opportunity to review the current governance structures and arrangements and make any necessary changes to the corporation's constitution to ensure the long term needs of your members and community are met. If you require any assistance with this process, please feel free to contact my office.

On behalf of myself and my staff, congratulations on your 15 years of operation as an Indigenous Corporation. We wish the Katungul Aboriginal Corporation Community and Medical Service many more years of successful operation and service to the communities of the South Coast.

Yours sincerely

Anthony Bevan
