Dear directors

EXAMINATION OF THE BOOKS OF YOUR CORPORATION UNDER SECTION 453-1 OF THE *CORPORATIONS (ABORIGINAL AND TORRES STRAIT ISLANDER) ACT 2006*

I am writing to confirm that the Registrar has authorised an examination of the books of your corporation under section 453-1 of the *Corporations (Aboriginal and Torres Strait Islander) Act 2006* (the Act).

An examination is a review of the corporate governance and financial management of the corporation. It checks if the corporation is being governed in accordance with its rule book and the Act and whether the directors are complying with their obligations under the rule book and the Act. It also checks that proper financial records are kept and that good proper procedures are in place to manage your financial affairs. The examination will also report on the current financial position of the corporation.

I have authorised Ms Caterina Mangeruca, Mr Greg Jepsen and Mr Jon Rogers from the Office of the Registrar of Indigenous Corporations to carry out the examination. I enclose a copy of the relevant authorisation for the examination.

They will report to the Registrar about:

- any breach of the Act or your corporation's constitution
- any alleged or suspected breach of a law (Commonwealth, state or territory law), concerning the management or examinable affairs of your corporation or a related body corporate or involves fraud or dishonesty, and relates to your corporation or a related body corporate
- any irregularity in the operations of your corporation
- any circumstances that exist that are, or might be, grounds for a special administrator to be appointed for your corporation
- any circumstances that are likely to occur or develop that would be grounds for a special administrator to be appointed for your corporation.

For information, I have listed below the main records that you will be required to produce to the examiners:

- your register of members and register of former members, and application forms for membership from 1 July 2009 to the date of the examination
- the minutes of all directors (Committee) meetings, annual general meetings, and special general meetings from 1 July 2009 to the date of the examination
- financial records and reports including (but not limited to):
 - the general ledger and current trial balance
 - bank statements and bank reconciliations
 - the assets register
 - the latest audited financial statements and Auditors management letter
 - your policy and procedures manual for processing financial transactions
 - funding agreements and relevant acquittance documents.
- all insurance policies
- personnel and payroll records including:
 - a sample of any employment contracts you have in place, in particular for the CEO (and other senior management staff)
 - the payroll process (we will also look at a sample of your payroll records).
- notification of the corporation's taxation status from Australian Taxation Office
- any other documents relevant to the functions of your corporation (eg. contracts, trust documents etc).

You are legally required to give these or any other relevant documents to them (under section 453-1(2) and (4) of the Act). If required you must also allow a copy to be taken of these documents (under section 453-1(3) of the Act).

If you want to speak to anyone at our office about this, please ring Ms Caterina Mangeruca using the free number 1800 622 431 (not free for mobile phones) or you can send an email to caterina.mangeruca@oric.gov.au.
