Question 7

Proposed name of corporation under the CATSI Act

The corporation's name may be:

- a name that is available (that is, it must not be identical to another corporation's name or prescribed as unacceptable under the Regulations—see s. 85–5 of the CATSI Act), or
- the expression 'Indigenous Corporation Number' followed by the corporation's ICN.

The name of the corporation must include the words:

- Aboriginal corporation
 - Torres Strait Islander corporation
 - Aboriginal and Torres Strait Islander corporation
 - Torres Strait Islander and Aboriginal corporation, or
 - Indigenous corporation.
-

Question 8

Addresses

Main place of business—This is where the corporation carries out most of its activities.

Registered office address (ROA)—Large corporations must have a registered office to make sure members and others can get hold of important documents, such as the corporation's rules, and can contact the corporation.

Document access address (DAA)—Small and medium corporations must have a document access address which is a place where people can inspect important documents. This can be a person's home. People wanting to inspect documents have to give seven days written notice.

Occupant consent—if the corporation does not occupy the ROA/DAA, it must obtain written consent from the current occupant to use it as the corporation's street address. The corporation must be able to show the consent to the Registrar if required.

Question 13

Size of the corporation

A **small corporation** is a corporation that has at least two of the following:

- total gross operating income less than \$100,000
- total gross assets less than \$100,000
- less than five employees.

A **large corporation** is a corporation that has at least two of the following:

- total gross operating income more than \$5 million
- total gross assets more than \$2.5 million
- more than 25 employees.

Any corporation that does not fit within the 'small' or 'large' categories is classed as a **medium corporation**.

Employees—To find out the expected number of employees your corporation will have in the first year:

1. count each full-time employee
2. for each part-time employee, work out a fraction that represents their weekly hours of work.
Do this by dividing the part-timer's hours by the weekly hours of work of a full-time employee.
For example: if a part-timer works 8 hours a week, and your full-time employees work 38 hours:
 $8 \text{ divided by } 38 = 0.21$
3. count the fraction for each part-time employee.

Note: Community Development Programme (CDP) workplace hosted jobseekers will be treated as employees for the purposes of these thresholds.

Question 14

Liability of members

If the application for registration states that members are not liable for the debts of the corporation, then they are not liable. But if it states that they are liable for the corporation's debts, then they must indicate to what extent the members are liable. This could be a dollar amount, or it may be a proportion (e.g. Mr X is liable for half, Ms Y is liable for one-quarter), or it may be for property or goods. If members are to be liable, you should seek legal advice about the extent of liability.

Question 15

Contact person's/ secretary's details

For **small and medium corporations**, the contact person's details are required.

For **large corporations**, the secretary's details are required. If the corporation has more than one secretary, please attach the additional details on a separate sheet.

To be eligible to act as a contact person/secretary a person must:

- be at least 18 years of age
- not be currently disqualified under Part 6–5 of the CATSI Act (unless permission is granted by the Registrar or leave granted by the court).

Address—The residential address of the contact person/secretary must be provided. A contact person/secretary can apply to the Registrar to give an alternative address if:

1. their name is on the electoral roll but not their address because of issues of personal safety, or
 2. the Registrar determines that including their residential address would put their safety (or their family's) at risk.
-

Question 18

Members' details

You must provide details of each person who is a current member of the corporation.

The corporation must have a minimum of five members unless you are granted an exemption (refer to the separate exemption form available from <https://online.oric.gov.au> or www.oric.gov.au).

The members must be 15 years of age or older.

If your rule book allows for non-Indigenous members, at least 51 per cent of members must be Aboriginal and Torres Strait Islander.

If your rule book allows for corporate members, you may have them. Section 138–1 of the CATSI Act says that a person is a member of a corporation if they are a member on registration, or if they agree subsequently to become a member. Under law, a 'person' is not only a human being but is also an entity (such as a corporation) that is recognised by law as having the rights and duties of a human being.

Address—Members can apply to the Registrar to keep their address from being made public if they have justifiable reasons.

Question 19

Directors' details

To be eligible to act as a director a person must:

- be at least 18 years of age
- be a member of the corporation (unless the corporation's rule book provides otherwise)
- be an Aboriginal or Torres Strait Islander person (unless the corporation's rule book provides otherwise)
- not have any convictions against them as described in s. 279–5(1) of the CATSI Act
- not be an undischarged bankrupt
- not be currently disqualified from managing CATSI Act corporations under Part 6–5 of the CATSI Act.

Corporations can apply to the Registrar for exemption so that a director can be appointed for more than two years. A director is also eligible for reappointment.

Note: The CATSI Act requires a majority of directors to be members and also to be Aboriginal or Torres Strait Islander.

The corporation must not have more than 12 directors unless it is granted an exemption (refer to the separate exemption form available from <https://online.oric.gov.au> or www.oric.gov.au).

Address—Directors must provide a residential address. A director can apply to the Registrar for an alternative address if:

1. their name is on the electoral roll but not their address because of issues of personal safety, or
2. the Registrar determines that including their residential address would put their safety (or their family's) at risk.

Question 20

Directors' declaration

Two directors or committee members from the existing organisation must sign a statement at question 21 declaring it is not under regulatory action. ORIC takes these declarations as evidence that:

- the organisation is not under external administration
- no application has been made to a court (in Australia or elsewhere) to wind up the organisation
- no application to approve a compromise or arrangement between that organisation and another person has been made to a court (in Australia or elsewhere) that has not been dealt with.

If you do not understand this declaration, please contact ORIC for further explanation.

Question 22

Checklist

Certified copy

A 'certified copy' means a copy of a document must have a written statement saying it is a true copy of the original.

Resolution under the CATSI Act

A pre-transfer of registration requirement is that you must provide evidence that at least 75 per cent of the members entitled to vote and voting at a meeting of the existing organisation have agreed to apply for registration. This means they had to:

- authorise the applicant to apply for registration
- approve the proposed rule book (including agreeing to all replaceable rules being adopted)
- nominate the people who will become directors of the corporation, and
- nominate the person who will become the contact person or secretary, depending on whether the corporation expects to be small, medium or large in its first year.

Sample resolutions are available at www.oric.gov.au or by calling **1800 622 431**.

Note: Before ORIC can make a decision about your application, you must send a copy of the proposed rule book of your proposed corporation.

Evidence that transfer is authorised and all requirements (if any) have been met

ORIC requires evidence that the corporation is authorised under the law of its place of origin to transfer to the CATSI Act and that the organisation has complied with the requirements (if any) of that law for the transfer to proceed. This evidence will differ in each state and territory and will depend on the requirements of the legislation under which your body is incorporated.

To find out what you must do to transfer to the CATSI Act, see ORIC's guides for transferring at www.oric.gov.au or contact the body that regulates your organisation.

Important—Please read the information on pages 1–4 before completing this form.

Note: If you need more space to answer or need to provide additional information, please attach the details on a separate sheet.
