Security Classification:
 UNCLASSIFIED

Bega District News^{s47F} and other far south coast newspapers were included in our distribution and they would also be covered by the mediawire spread -- but I didn't send^{s47F} a special email ...

Here are some dot points for tomorrow's interview... have also printed out copies of our earlier MRs if you want them?

s47F
 seemed happy with the response we sent (so may be something in the Australian tomorrow also?)

Good story.

Hopefully it is reported in tomorrow's hard copy version of the Herald also.

PS – the Bega Daily newspaper also received a special email as they have previously reported on the story?

Hi s47F

The judgment is over 300 pages. I haven't got a copy yet. I'll tee up something with s47F after 12 as s47F is booked until then.

We expect to issue a statement at about 2pm.

Thanks,
s22

Hi s22, thanks very much for keeping me in the loop on this however I wasn't able to get to the Court this morning. I'd like to see your statement. Would it be possible to speak to s47F about this at some stage today? Also, do you know if you'll be getting a copy of the judgment?
