

Umoona Tjutagku Health Service Aboriginal Corporation.

Clinic Manager

Full time position

UTHS is seeking a Clinic Manager to be part of the Management Team. Reporting to the Director of Programs and Clinical Services, the successful candidate will contribute to this high quality Indigenous Health Service. UTHS is in an exciting period of growth with development across all services including Clinic, Healthy for Life, Drug and Alcohol Services as well as the commencement of the Accreditation processes. You will be responsible for the Day to day operations of the Clinic as well as overseeing the provision of high quality health care.

To be successful in this role you will have need to demonstrate the following:

- Be a Registered Nurse with the Nursing Board of SA (or ability to obtain same)
- Will be able to demonstrate a variety of Post Graduate Nursing experiences
- Will have the ability to display an extensive knowledge, understanding and commitment to the principles and practices of Risk and Quality Management within a Clinical setting
- Have awareness and understanding of the current and likely future operating environment within the Indigenous Health Sector.

An attractive remuneration package will be negotiated with the right candidate. This is a contract appointment with the position located in Coober Pedy. The successful applicant would contribute to and be instrumental in maintaining a high degree of awareness regarding culturally appropriate conditions and practices in all dealings with Aboriginal clients.

Benefits of working at Umoona Health:

- Experience working in an Aboriginal Community Controlled Primary Health Care Service
- Opportunity to work as part of a multi-disciplinary team
- Salary Sacrifice Benefits are available
- Opportunity for further Professional Development.
