

# EXPRESSIONS OF INTEREST IN MANAGING A LICENCED SOCIAL CLUB, BATHURST ISLAND NT

## **NGUIU CLUB**

**Aboriginal Corporation**  
(Special Administrators Appointed)  
ICN 8335

The corporation operates a licenced social club on Bathurst Island in the Northern Territory. The Club is an important social and cultural venue for the people residing on the island.

Expressions of interest in managing the Club are sought from organisations with demonstrated experience in running licensed premises or remote retail or hospitality businesses.

The successful organisation will demonstrate:

- A record of having formed long-term relationships with stakeholders, including indigenous communities
- Accountability to community business owners through financial reporting
- Working to improve committee financial literacy and to provide feedback to committees on financial issues
- A focus on indigenous employment and training
- Implementing policies and procedures in hospitality operations to ensure consistent professional management and controls are in place, and
- Working with indigenous communities to develop a Community Benefit Fund through which Club profits are spent within the community for important social purposes.

An important aspect of a successful proposal will be the willingness of the management organisation to provide a working capital loan to the corporation, if required, to fund necessary improvements to the Club.

Expressions of interest are to be made by Friday 19 February 2016 with management proposals to be received, after a period for due diligence, by 4 March 2016.
